May Mass Meeting of City Union of King's Daughters.

Last Meeting of Children's Singing Class
This Season—Graduation of Nurses—
W. C. T. U. Meets—Apron Bazaar—Trolley Ride—Social Items.

The last meeting of the Children's Singing Class this season was held yesterday afternoon at the residence of Mrs. Wm. T. Brooke, on Boush street. There was a large gathering of children, about thirty-two in number, and after the regular practice, under the direction of Prof. Newton Flitz, a social time was much enjoyed by the young folk. Refreshments were served and beautiful roses decorated the parlor mantel.

The unpleasant feature of the meeting was that it was the last at which Prof. Flitz will be present, he leaving in a few weeks for Boston, much to the regret of his many friends.

Great progress has been made by the children under his charge, and the enthusiastic and largely attended meetings testify to the interest he has aroused in them for the work. The class has been a splendid success in every way, and it is much to be regretted that he will not be here longer to continue its instruction.

The class was organized by Mrs. Wm. T. Brooke, and it is largely due to her interest and zeal that it has prospered.

KING'S DAUGHTERS.

The May mass-meeting of the City Union, King's Daughters, was held yesterday afternoon at 5 o'clock in the Epworth Church lecture-room. Miss Margaret Roper presided, and the meeting was opened with the reading of scripture and prayer. It was much to be regretted that the attendance was so small, as very satisfactory reports were read from all the circles, showing that splendid work had been accomplished during the winter.

The nurses' report showed that 632 visits had been made in the three months ending May 20, and the pleasant announcement was made that they were not very busy at present owing to there not being much sickness in the city, which fact may be because of the improved sanitary condition.

The devotional committee reported on the organization of the League, of which Mrs. F. T. Washington, the able State secretary of the King's Daughters is leader. The League meetings are held weekly at the various home of the members, and are for the spiritual development of each individual interested, being strictly on devotional lines.

The League will meet this week at the residence of Miss Johnston, No. 25 Fenchurch street, at 4:30 o'clock in the afternoon. A cordial invitation is extended to all interested, to attend.

HEAD OF THE W. O. W.

Mr. J. C. Root, Founder of Woodmen of the World,

Will Reach Norfolk This Morning on a Special Steamer—Reception Has Been Arranged—Committee of Thirty Will Meet Him at Old Point Comfort.

For some time the members of the order Woodmen of the World have been awaiting with impatience the expected coming to this section of Mr. J. C. Root, the founder and Sovereign Commander of the well-known order Woodmen of the World.

Mr. Root reached Richmond several days ago, and has been the guest of members of the order in that city. He left Richmond yesterday and spent last night at Old Point Comfort.

Arrangements have been made to give him a grand reception to Portsmouth and Norfolk. A committee of about thirty prominent Woodmen of Norfolk and Portsmouth will leave Boeton wharf this morning at 9 o'clock sharp on the tug Pocahontas for Old Point.

The committee will at once take possession of their Grand Sovereign, take him aboard the Pocahontas and then will follow a trip around Norfolk harbor and to all the points of interest, including the Norfolk Navy Yard.

The committee will then escort the guest of honor to the Monticello, where dinner will be enjoyed. After dinner Grand Sovereign Root will be taken by the committee to points of interest in Norfolk.

At night there will be held a grand mass meeting in Elks' Hall, this being the largest hall available at present on account of repairs at the Academy of Music. There will be addresses by prominent Woodmen and others.

Mr. W. H. Venable will welcome Mr. Root to the city, in the absence of Mayor Johnston, who has been called out of town. This meeting will be open to the public and tickets of admission may be obtained from any of the Woodmen of either city.

Grand Sovereign Root will spend only a day or two here, and will then go to Washington, D. C., on business connected with the order. Mr. Root is accompanied by General Brownley, chief organizer of the order, who will make one of the principal addresses at the meeting to-night.

The Woodmen of the World is one of America's greatest orders, and, in point of membership, stands fifth among the secret organizations of America. It has over 2,000 camps in America, and about 250,000 members. There are camps in Norfolk, Portsmouth, Newport News, Phoebus, Suffolk, Richmond, Petersburg and other points in the State.

PATENT SHIRT WAIST.

No Buttons can be Torn off, either in Wearing or Washing.

The Mother's Friend does away entirely with the sewing on of buttons. It is supplied with an adjustable belt, which is easily taken off when the waist is washed; the buttons are riveted on the belt, consequently can not be torn off, either in wearing, washing or ironing.

It would be a waste of words, pure and simple, if this Shirt Waist proposition for the sale of Boys' Shirt Waists wouldn't be more than an ordinary inducement. Printers' Ink comes high unless it shows a sure sign of being reproduction—the fact that an article is advertised at this store at a price ought to be a reasonable evidence that it is of more than common importance.
